IMPORTANT INFORMATION - PLEASE READ

PARTICIPATION IN THE ABOVE RAD CLASSES IS REQUIRED TO TAKE THE RAD EXAMS

On a usual year, the RAD examinations in this part of the country are taken in the springtime. However, due to Covid-19 and its world wide lockdown all examinations from 2020-early 2021 had to be put on hold. In March 2020 Northern Dance was literally the last studio to take the exams before all the examiners, worldwide, were sent home and countries began their lockdowns. As you can understand, this has set back the exam tour schedule for the RAD. Thus, the examinations this year in this area are being held in September/October 2021. With this in mind, it is imperative that we keep on top of the RAD syllabus for the upcoming exams in the Fall. Usually I would take the summer off from the RAD syllabus. However, this year I do not see this as an option if we are to be well prepared for the exams. Instead of having 6 weeks of RAD ballet classes set into the summer schedule I have decided to have 3 "mini intensive" sessions for those wishing to participate in the exams in the Fall. They will be spread out over the summer. Please see schedule above:

The cost of the RAD Examination classes is \$40 for Grades 1-5 and \$50 for Intermediate & Advanced 1 and is in addition to summer tuition.
